

LIFESTYLE  ASSEMBLY

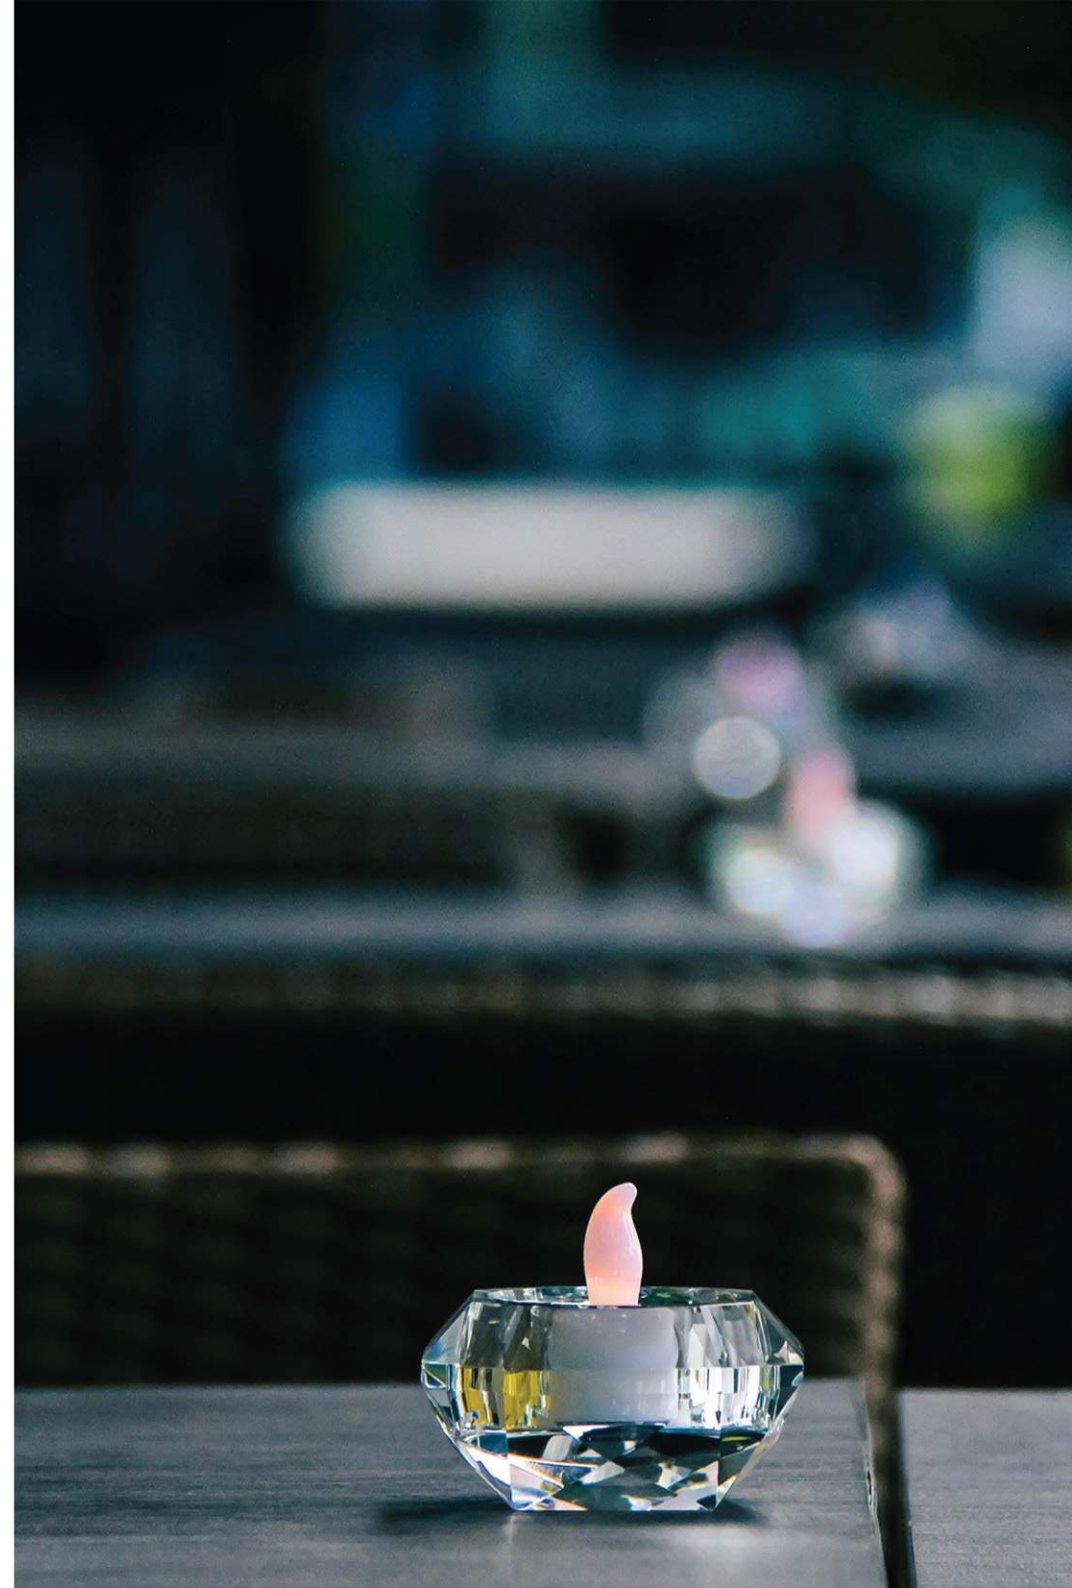

High-quality premium products from all over the world.

Featuring the glass tea light holders, they are made from premium quality glass, individually handcrafted and packed. Perfect as decorative or centrepieces, and they are also great as a gift for any occasion.

Lifestyle Assembly Glass Tealight Holders are easy to care for. Use a soft and downless cloth to wipe the glass piece to avoid scratching the glass surface. To remove grease stains, wash the glass piece under lukewarm water with a gentle detergent. Avoid hot water and excessive use of detergent.
